INNOVATIVE ONE-TOUCH FOLDING

From compact packaging to flexible room layouts, the chair folds neatly into a compact form—making storage simple and freeing up valuable space.

READY TO USE IN ONE SIMPLE STEP

Set up with a single press. No screws, no tools, and no complicated assembly—just effortless comfort, straight out of the box.

15% MORE SEAT SPACE

Designed with a wider seat, the Prince Chair offers approximately 15% more seating space than a standard office chair for a roomier, more comfortable fit.

PRESS BOTH SIDES TO FOLD

The backrest folds down onto the seat, creating a compact profile for quick, effortless storage.

SCULPTED CONTEMPORARY DESIGN

Flowing contours and a distinctive open-frame structure give the Prince Chair a refined, contemporary profile. Carefully shaped details create a strong visual identity from every angle.

ADAPTIVE BACKREST SUPPORT

The contoured backrest follows your body's natural shape and responds as you move, providing close, comfortable support across different sitting positions.

DVS
SPACE REIMAGINED

VERSATILE ADJUSTMENT. SUPPORT FOR EVERY CURVE.

Fine-tune the support angle with a simple turn of the dial for a fit that follows your body's natural contours.

DIAL-ADJUSTABLE SUPPORT ANGLE

Adjust the lumbar support angle to suit the natural curve of your spine, helping provide comfortable, targeted support for your lower back.

THREE-POSITION DEPTH ADJUSTMENT

Slide the lumbar support forward or backward through three positions to fine-tune the level of support and find a comfortable fit for your sitting posture.

DVS

SPACE REIMAGINED

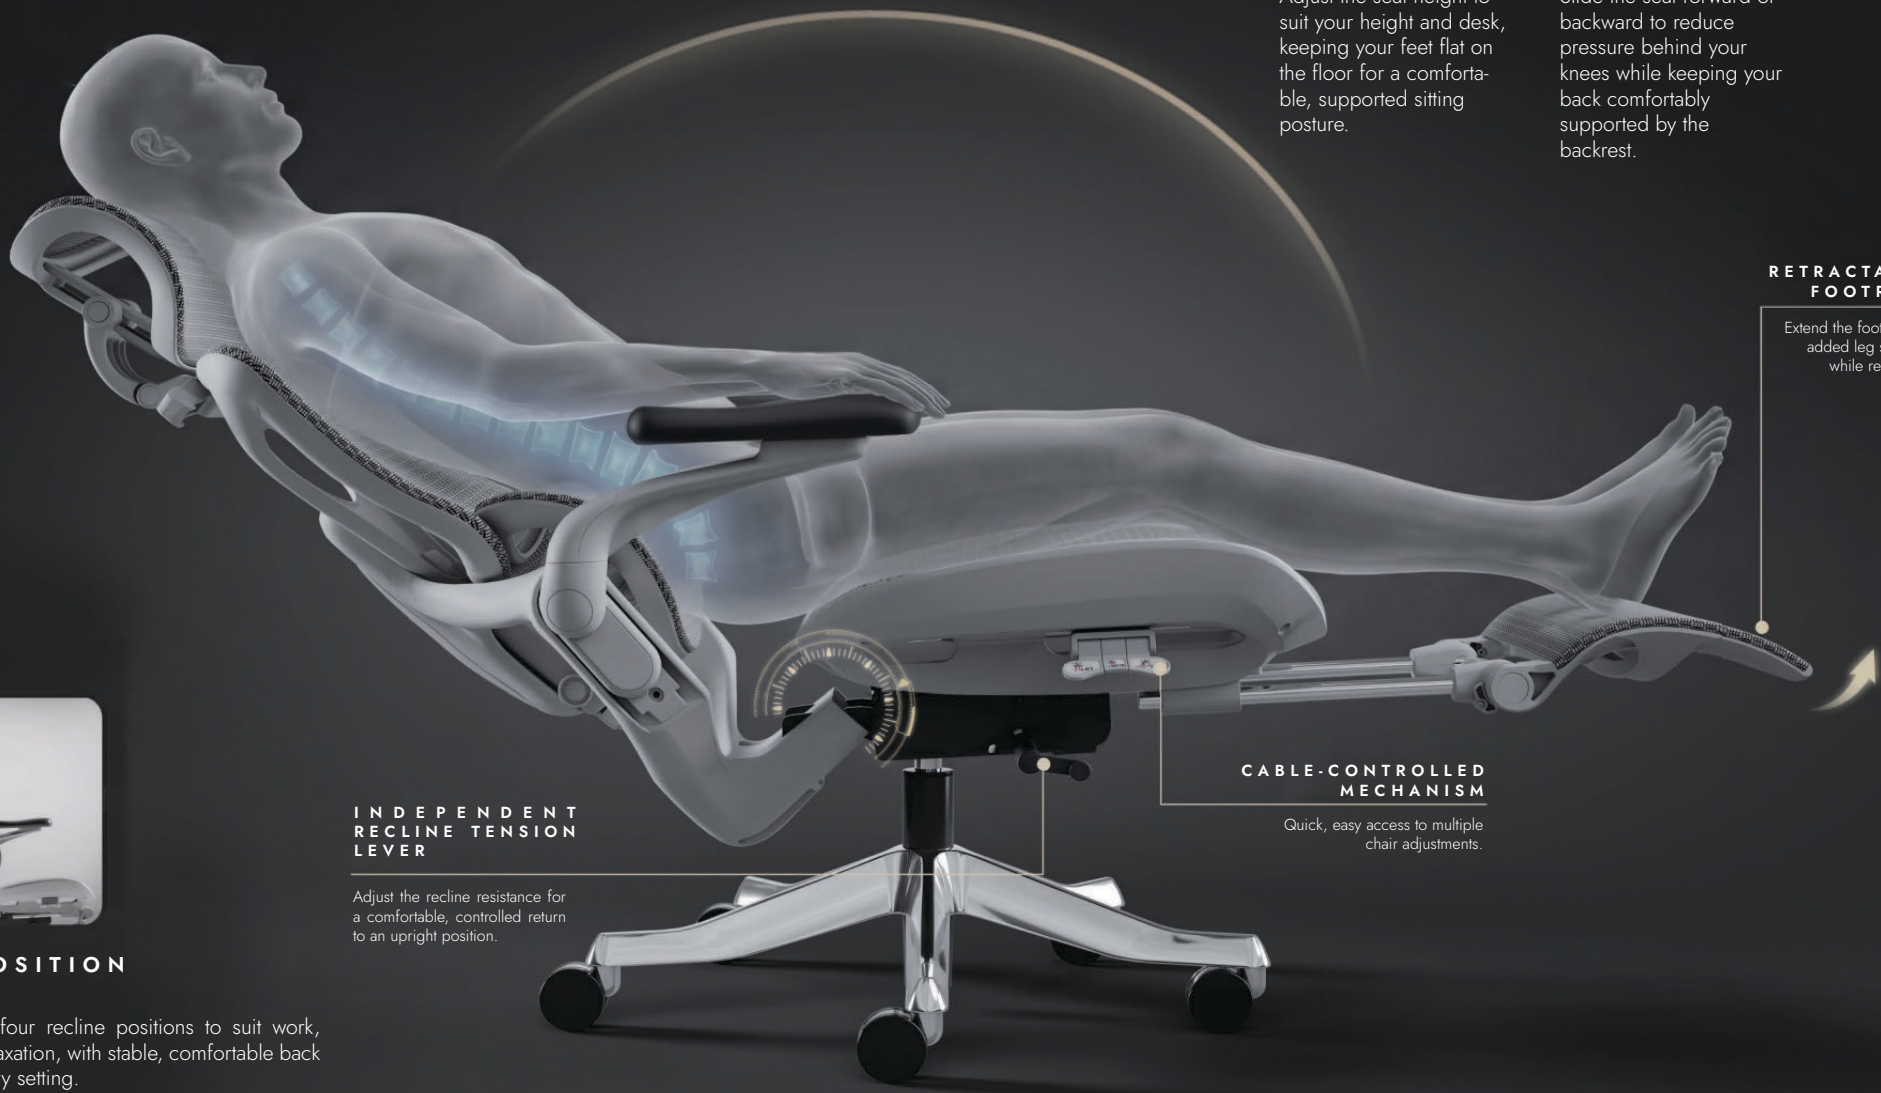
SEAT HEIGHT ADJUSTMENT

Adjust the seat height to suit your height and desk, keeping your feet flat on the floor for a comfortable, supported sitting posture.

SEAT DEPTH ADJUSTMENT

Slide the seat forward or backward to reduce pressure behind your knees while keeping your back comfortably supported by the backrest.

135°



RETRACTABLE FOOTREST

Extend the footrest for added leg support while reclining.

CABLE-CONTROLLED MECHANISM

Quick, easy access to multiple chair adjustments.

INDEPENDENT RECLINE TENSION LEVER

Adjust the recline resistance for a comfortable, controlled return to an upright position.

FOUR-POSITION RECLINE

Choose from four recline positions to suit work, reading, or relaxation, with stable, comfortable back support at every setting.

GENEROUS SUPPORT. LASTING COMFORT.

Designed for users who prefer a more spacious fit, the chair combines a generous seat, adjustable backrest height, and supportive contours for a comfortable, personalised sitting experience.

5D ADJUSTABLE HEADREST

DVS
SPACE REIMAGINED

PERSONALISED SUPPORT FOR YOUR HEAD AND NECK

Fine-tune the headrest to suit your body and sitting preferences, providing comfortable support for your head and neck.

DEPTH ADJUSTMENT

Move the headrest forward or backward to suit your posture and support your head comfortably.

ANGLE ADJUSTMENT

Adjust the tilt for work or relaxation, maintaining support along the natural curve of your head and neck.

HEIGHT ADJUSTMENT

Raise or lower the headrest to suit your height, positioning the support where your neck needs it.

RESPONSIVE SEAT SUPPORT

Responsive spring support distributes pressure evenly, while breathable, durable construction keeps you comfortable through extended sitting.

MULTIFUNCTIONAL ARMRESTS

Adjust the armrests to support your arms and wrists in a natural, comfortable position, helping support a comfortable arm and shoulder position.

90° INWARD & OUTWARD ROTATION

Rotate the armrests to follow your forearms, finding a natural, relaxed angle for different activities.

360° ARM PAD ROTATION

Turn the arm pads freely to suit your preferred position and support needs.

THREE-POSITION HEIGHT ADJUSTMENT

Raise or lower the armrests to suit your height, helping ease shoulder and neck tension while supporting a comfortable posture.

SIDE-TO-SIDE ADJUSTMENT

Move the armrests inward or outward to match your shoulder width and keep your arms comfortably supported.

SUPPORT FOR DEMANDING WORKDAYS

In demanding work environments where focus is essential and working hours are long, the right ergonomic chair provides lasting comfort and support, helping teams stay focused and productive.

COMFORT THAT FEELS AT HOME

Whether you're working from a home office or settling in for everyday activities, extended periods of sitting can become uncomfortable. An ergonomic chair provides personalised support to help you maintain a comfortable posture throughout your day.

NATURAL SUPPORT EVERYDAY COMFORT

Designed to follow the natural curve of your spine, the contoured backrest provides targeted lumbar support, helping you maintain a comfortable and well-supported sitting posture as you work.

LEVEL UP YOUR COMFORT

Complete your gaming setup with ergonomic support designed for longer sessions. Personalised adjustments and supportive contours help you stay comfortable and focused on the game.

COMFORT THAT REFLECTS YOUR STANDARDS

Enhance customer-facing spaces with ergonomic seating that reflects your brand's commitment to quality and attention to detail, creating a comfortable and welcoming experience for visitors.

ABOUT US

Founded in 2009, DVS Holdings began as a family-run business with just one showroom in Gambas. Guided by the belief that no workspace is too small, too unique, or too complex to reimagine, we have since grown into a trusted local provider of office furniture and workspace solutions in Singapore.

Today, we operate three showrooms, two fully stocked warehouses, and our in-house production workshop, supporting clients with speed, flexibility, and precision at every stage of their office transformation.

OUR VISION

To be Singapore's most trusted office transformation provider, where every Space is Reimagined with Dedication, Vision, and Sophistication.

OUR MISSION

We deliver bespoke, end-to-end workspace solutions in Singapore that bring clients' vision to life. With a deep understanding of the local business environment, we design for real-world space constraints, integrating ergonomic office innovations that support Singapore's fast-paced, high-performance work culture.

Whether it's fitting custom workstations into compact layouts or coordinating renovation and installation, we tailor every detail with intention.
