ABOUT US

Founded in 2009, DVS Holdings began as a family-run business with just one showroom in Gambas. Guided by the belief that no workspace is too small, too unique, or too complex to reimagine, we have since grown into a trusted local provider of office furniture and workspace solutions in Singapore.

Today, we operate three showrooms, two fully stocked warehouses, and our in-house production workshop, supporting clients with speed, flexibility, and precision at every stage of their office transformation.
