ABOUT US

Founded in 2009, DVS Holdings began as a family-run business with just one showroom in Gambas. Guided by the belief that no workspace is too small, too unique, or too complex to reimagine, we have since grown into a trusted local provider of office furniture and workspace solutions in Singapore.

Today, we operate three showrooms, two fully stocked warehouses, and our in-house production workshop, supporting clients with speed, flexibility, and precision at every stage of their office transformation.

OUR VISION

To be Singapore's most trusted office transformation provider, where every Space is Reimagined with Dedication, Vision, and Sophistication.

OUR MISSION

We deliver bespoke, end-to-end workspace solutions in Singapore that bring clients' vision to life. With a deep understanding of the local business environment, we design for real-world space constraints, integrating ergonomic office innovations that support Singapore's fast-paced, high-performance work culture.

Whether it's fitting custom workstations into compact layouts or coordinating renovation and installation, we tailor every detail with intention.
